

2023 NO BRAINER NAPA VALLEY CABERNET SAUVIGNON

92 POINTS – THE WINE PALATE

The 2023 No Brainer Cabernet Sauvignon is a blend of 94% Cabernet Sauvignon and 4% Malbec. Deep purple-black colored, it pops from the glass with vibrant notes of blueberries, boysenberries, and cassis, followed by hints of menthol and chocolate box. The full-bodied palate is soft-textured and vibrant with a lively line and loads of blue fruit on the finish.

The 2023 No Brainer Napa Valley Cabernet Sauvignon effortlessly dances out of the glass with vibrant aromas of blackberry, black currant and ripe cherries. Complex layers of crushed rocks, toasted oak, and a touch of spice frame the fruit core. Aromas of graphite and forest floor continue to unfold as the wine opens. The palate showcases a beautiful texture and integrated velvety soft tannins, culminating in a long-lasting mouth-coating finish.
